

Shop Local

Spartansburg is a tight-knit community. We all support one another and pull together when times get tough. One way to keep our great town rolling is by supporting local businesses. The Amish Community plays a major role in the success of our business and we want to make sure all of the businesses in our area are successful too. So, enjoy a scenic drive through the countryside and stop in at these wonderful businesses!

Thank you,
The Bova's Hardware
Team
